Academisation of BMS in Austria

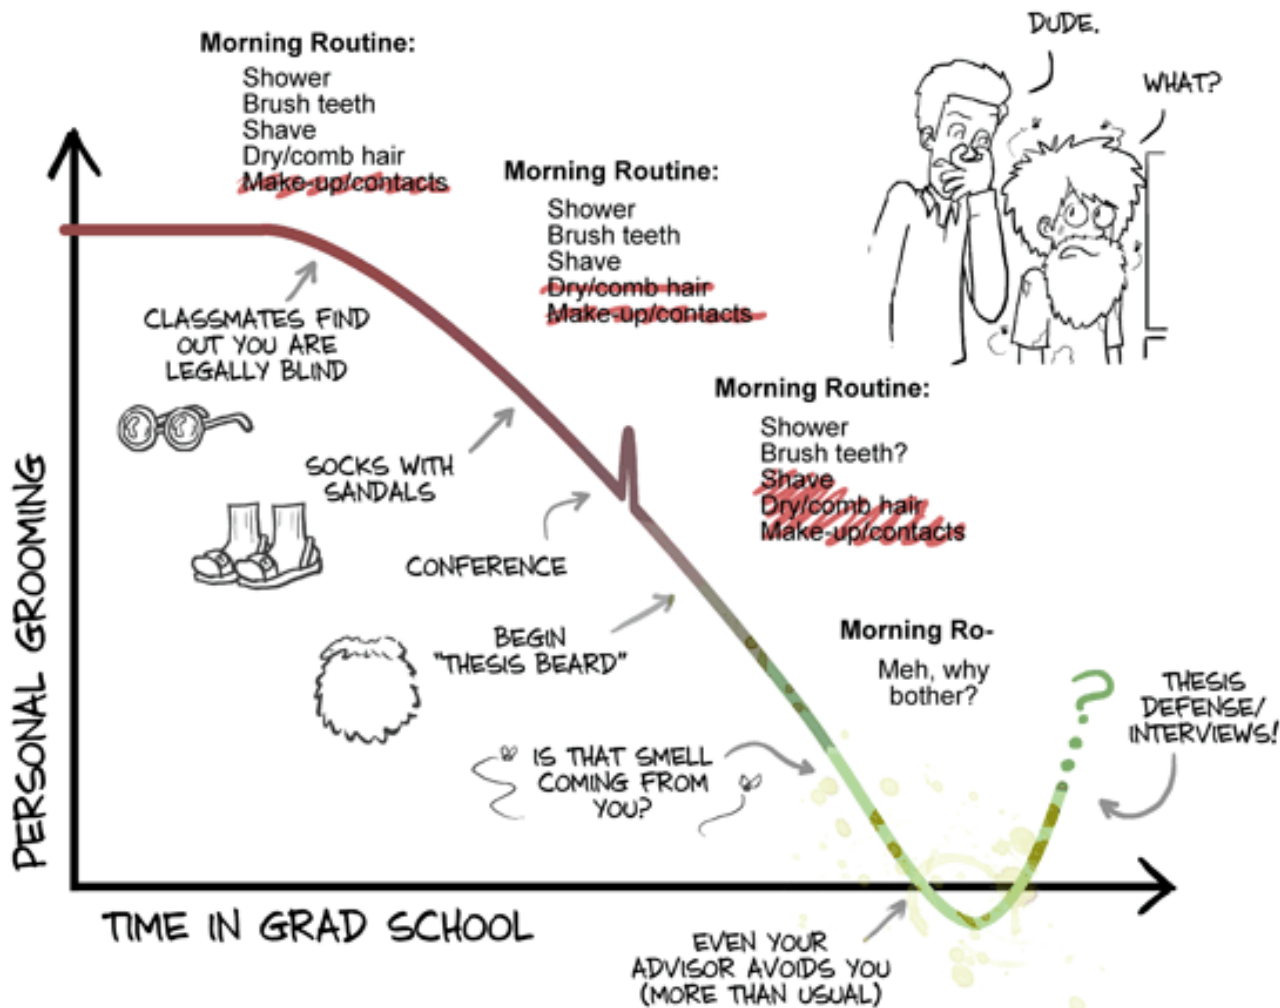

Professional Development

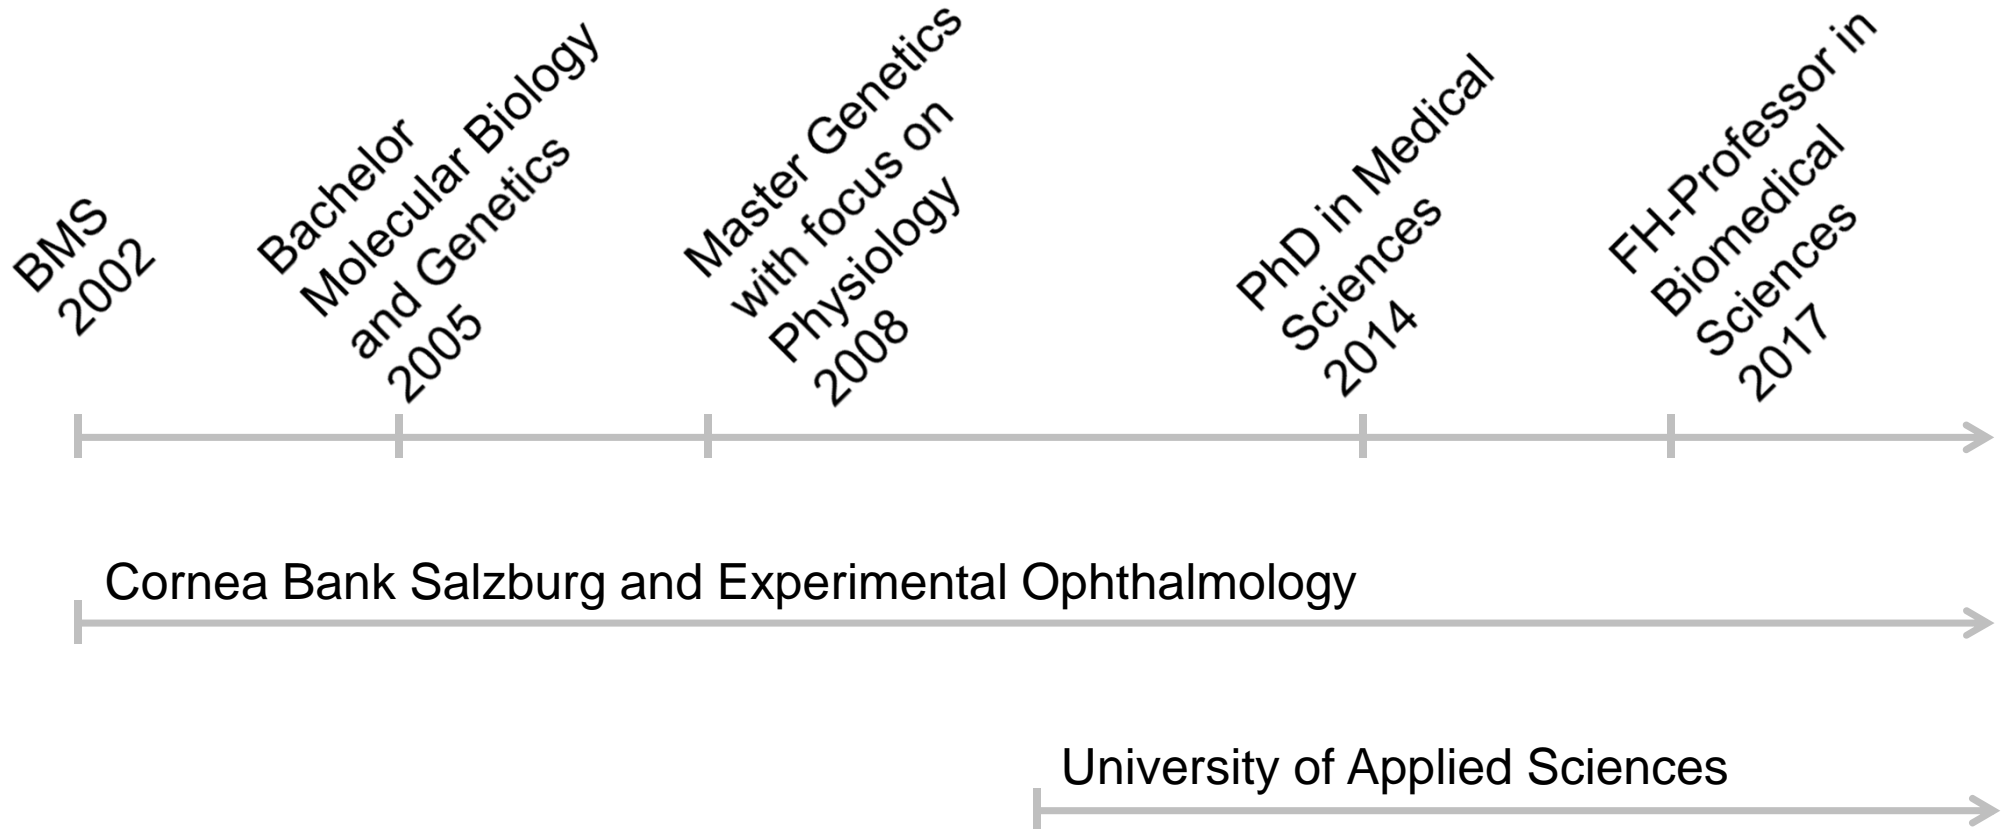

GROOMING VS. TIME IN GRAD SCHOOL

What happens when you realize nobody's paying attention.

Professional Development

Masters for BMS

Management for Health Professional (FH Upper Austria)
Clinical Research (FH Upper Austria)
Linz

Biomedical Sciences (FH Campus)
Molecular Biotechnology (FH Campus)
Biomedical Engineering Sciences (FH Technikum)
Tissue Engineering and Regenerative Medicine (FH Technikum)
Vienna

Medical Biology (PLUS)
Health Sciences & Leadership (PMU)
Salzburg

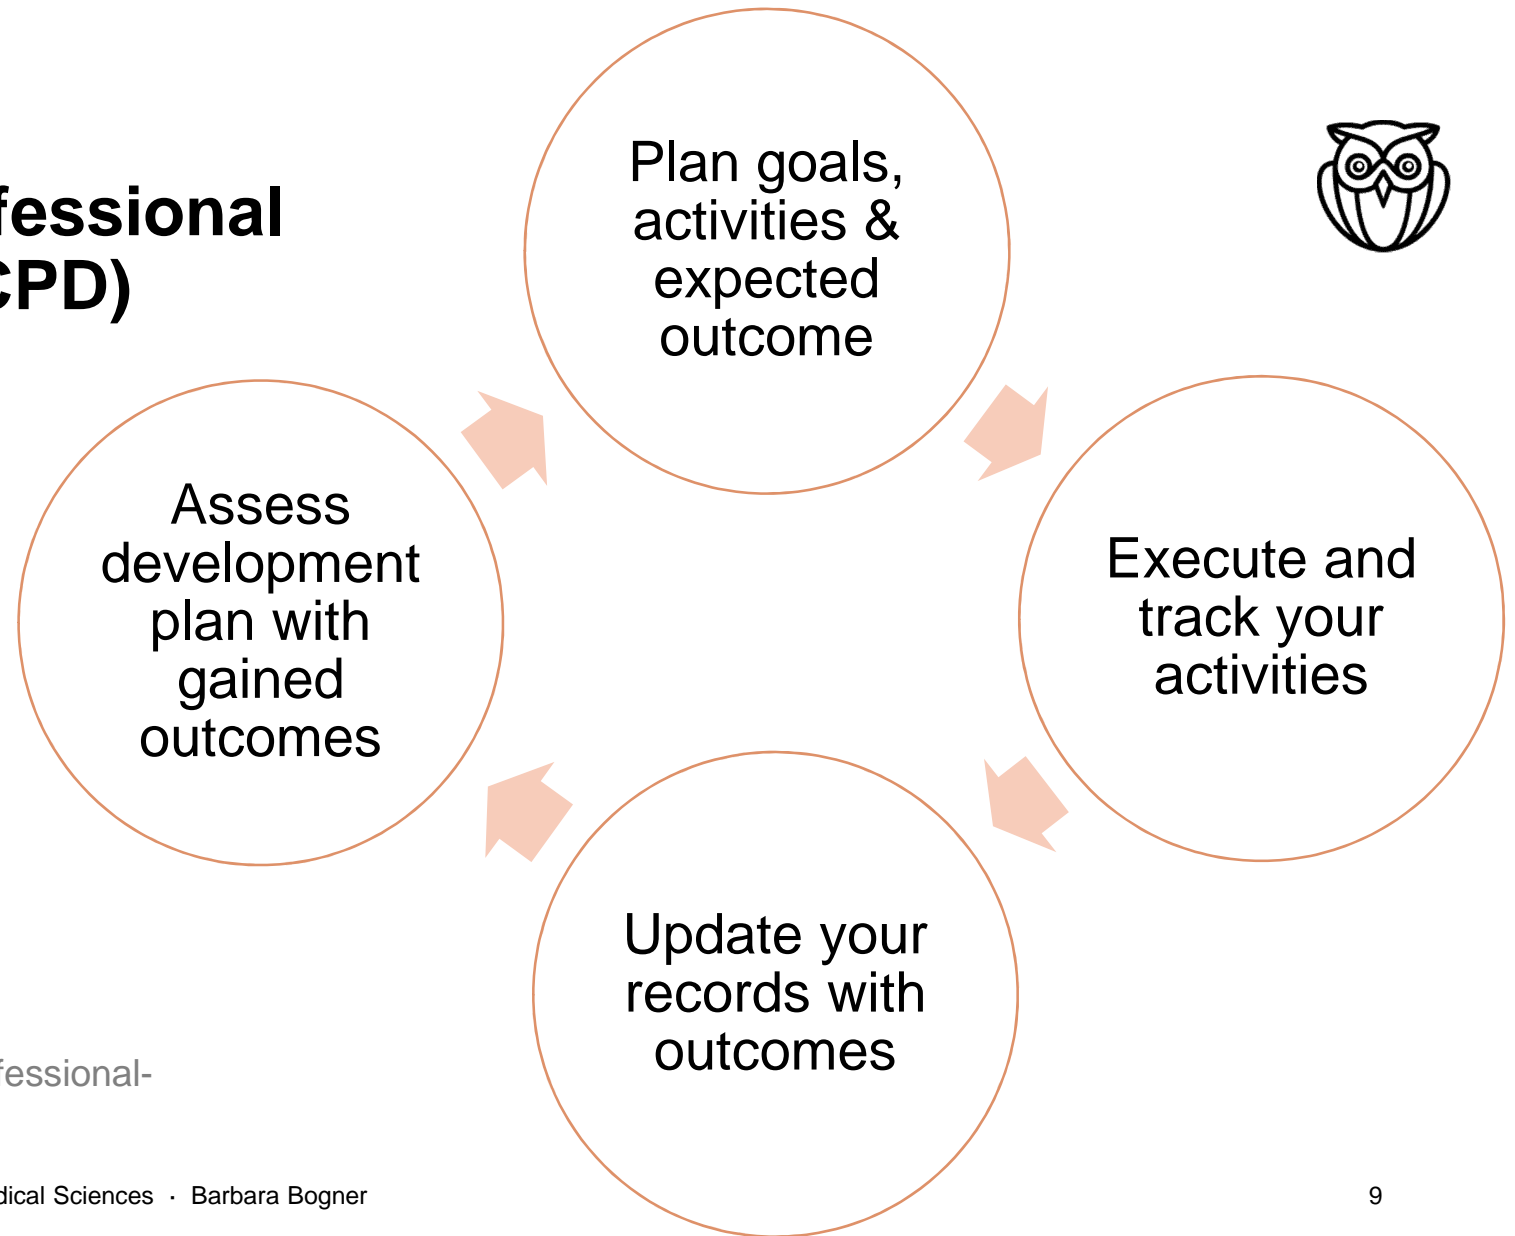

Medical and Pharmaceutical Biotechnology
Risk management
Krems

Quality and Process Management (FHG)
Pedagogy for Health Professionals (FHG)
Innsbruck

Mass Spectrometry and Molecular Analysis (FH Johaneum)
Public Health (Med Uni)
Medical Genetics (Med Uni)
Graz

MARBLE (Master in Biomedical Sciences in Europe)
Austria, Portugal, Ireland, Sweden

Continuing Professional Development (CPD)

After:

Our Strength

- Solid training in different areas of clinical diagnostics
- Broad variety of methods and techniques to measure biological parameters
- Pronounced awareness for quality management
- Good basis of medical knowledge
- Essential part in the process of patient care

*You cannot discover new oceans,
unless you have the courage to lose
sight of the shore.*

André Gide
